

A Sensitive Topic...Hemorrhoids

Part of the "Sharing the Health" Series

Yes, you can have relief from this secret but painful condition with a new procedure...THD!

Thursday, September 11th from 6:30 - 7:30 PM

Hornell Golf Club, 473 Seneca Road

Featuring: Irfan Rizvi, MD - Board-certified General and Colorectal Surgeon at SJMH

Say goodbye to that itchy, painful, burning feeling, and hello to your life! If you've been searching for a proven solution to your own painful hemorrhoid problem, Dr. Rizvi at St. James Mercy will have the appropriate treatment for you...including THD, a new alternative that promises lasting relief within 3-4 days.

Join Dr. Rizvi for a free, informative Q&A on the causes of hemorrhoids, their effects on our bodies and treatments including the new, non-invasive treatment called THD.

For reservations call Linda Blauers (607) 324-8146 by Friday, Sept. 5th.
