**St. James Mercy Hospital Extends Operation of  
Hornell Pediatric Care Clinic**

**HORNELL, N.Y. (May 26, 2015)** – St. James Mercy Hospital (SJMH) announced today that it will continue to operate its Pediatric Care Clinic until the services transition to Oak Orchard Community Health Center. According to Hospital officials, the clinic will remain open as Oak Orchard and St. James Mercy Hospital await pending regulatory approvals.

“While Oak Orchard continues to complete the necessary steps it needs to take to open a clinic in Hornell, we will continue to offer uninterrupted pediatric care at the SJMH Pediatric Care Clinic,” said Jennifer L. Sullivan, president and CEO. “We are notifying patients of this transition update.”

Dr. Uzma Mehr will continue to see patients at the current location, 428 Canisteo Street, in Hornell. For more information regarding hours of operation or to schedule an appointment, please call (607) 324-0811.
