Memorial Gifts

Memorializing the memory of a friend or loved one through a gift to the St. James Mercy Foundation offers a meaningful and lasting way to celebrate a life. Your memorial gift will be used to support and sustain the programs and services that allow excellent, compassionate healthcare within our community, while providing a fitting tribute to those whose lives made a difference.

All memorial gifts to the Foundation are recognized with brass name plates that honor the deceased and are displayed on the St. James memorial plaque, located near the hospital main entrance. Foundation staff are pleased to assist you in making contributions online at www.stjamesmercy.org, by mail, or in person at the Foundation offices.
